

SOMETHING NEW

Every few days we are receiving shipments of goods and in each shipment are many new things of interest to our patrons. Just now we are especially well stocked on shoes of all kinds, our stock being the largest it has been in many months and embracing the very best makes, such as Queen Quality for women, President for men and Buster Brown for children. *We have all styles, all sizes and all prices, and every shoe in our store guaranteed to give satisfactory wear.*

KID GLOVES

Perhaps the most difficult item for a dry goods merchant to handle with success is a ladies kid glove. We have tried numerous makes without success until two years ago when we begin to sell the ELITE brand and since that time we have had only a very few complaints. They are guaranteed to prove satisfactory when fitted at our glove counter. Prices from \$1.00 up.

The annual Thanksgiving program and dinner at the school house was a success.

The program was spoken of by every one as excellent and the dinner was as good as anyone could wish and the way it was disposed of showed that everyone was equal to it.

Mrs. Todd and Mary Falls drove out from town and Mrs. Todd as well as many others forgot for the time that they were not children again and joined in their sport.

We think everyone enjoyed the day and were thankful for every blessing and that they could be present.

Two sisters of Mrs. Sealey from Larned, with their families, visited at the Sealey home Sunday and Monday, returning Tuesday morning. They made the trip in an auto.

C. D. Sternisky informs us that he will go on the road in the near future. He has spent several years as a commercial traveler before coming here.

Quincy and Leslie Holland expect to start this week to thresh maize and kafir corn.

C. D. Sternisky and wife spent Friday and Saturday in Stevens county where Mrs. Sternisky was raised.

The reduced prices on ladies' suits still hold good at the Economy.

Don't forget the Apron Sale at the Stamper block Saturday. The Needle society of the Christian church have a large assortment of aprons and fancy work novelties.

A crowd gathered at R. T. Neff's Tuesday evening, December 5th, and surprised Bob and his bride. He invited the crowd in, treated them to cigars, apples and peanuts and cleared one room for a jolly dance. Mr. Neff and Miss Bessie Lofland were married about a week ago. We wish them a long and prosperous journey through life.
